

SINONASAL DISEASES

Dedicated to the evaluation and care of sinonasal disorders, the Sinonasal Clinic is a unique resource for the community.

Medical experts use state-of-the-art technology to provide a wide range of diagnostic and treatment services.

The clinic also caters to

- ❖ Allergic rhinitis
- ❖ Headaches
- ❖ Nasal blockages
- ❖ Nasal polyps
- ❖ Obstructive sleep apnea
- ❖ Voice related problems

Diagnostic services

The centre offers many tests and services for symptoms of allergies including allergy skin testing.

- ❖ Allergy skin testing
- ❖ Diagnostic nasal endoscopy
- ❖ CT SCAN of paranasal sinuses
- ❖ Comprehensive Evaluation of Allergy (when indicated)

Treatment

- ❖ Allergy shots
- ❖ Allergy drops
- ❖ Allergy information and education
- ❖ Food allergy nutritional counseling

Sinus and nasal disorders are treated with both medications and surgical options for chronic rhinosinusitis and nasal polyposis.

To ensure a comprehensive approach to care for even the most complex sino-nasal disorders a multi-specialty approach is often considered to include other specialists such as:

- ❖ Asthma/pulmonology
- ❖ Immunology
- ❖ Sleep medicine
